STATE TEACHERS TO CONFER.

The annual convocation of the University of the State of New York will be held on October 13 and 20 in the State Education Building. Special effort has been made this year to bring into con-ference those actively engaged in school administration and leaching men and women who represent educational activi-ties outside of the schools.

At the first session Prof. Bliss Perry of Harvard, Den C. New York,

The public must accept facts when the facts are right. We will get higher prices or lower quality, and the house wife must learn to maintain quality. Safety and cuality are our only safeguards. We believe that the schedule of prices and weights is fair, considering the telephone. Among them, who have taken important parts in deprices and weights is fair, considering the telephone. Among them,
